

how did **ABBY ANGELOS** vote **so far** in 2026?

Check out Rep. Angelos' (HD-3) votes from the first half of the Legislature's 2026 budget session!

HEALTHCARE

Voted FOR a bill that would harm women's access to healthcare by eliminating regulations on fake medical centers that mislead patients and do not provide comprehensive reproductive healthcare. ([HB-03](#))

Voted FOR a bill that would improve women's access to maternal healthcare by authorizing Medicaid payments for birthing centers. ([HB-04](#))

Voted AGAINST a budget amendment that would increase healthcare access for people with developmental disabilities and brain injuries. ([HB-01-2040](#))

Voted AGAINST a bill that would improve healthcare access for seniors by increasing the Medicaid reimbursement rate for skilled nursing homes. ([HB-63](#))

Voted AGAINST a bill that would improve access to maternal healthcare by increasing the Medicaid reimbursement rate for providers of maternal and OB services. ([HB-64](#))

EDUCATION

Voted FOR a bill that would ban books in public and school libraries that politicians find offensive and allows random residents to sue libraries and school districts. ([HB-10](#))

Voted FOR a "recalibration" bill that would harm public education by underfunding school districts, eliminating teacher positions and increasing classroom sizes. ([HB-110](#))

Voted FOR a bill that would harm public education by allowing politicians to dictate what students learn in science classes about fetal development. ([HB-186](#))

Voted AGAINST a bill that requires schools to educate students about suicide prevention. ([HB-40](#))

Voted AGAINST a bill that would help K-12 female students by ensuring free access to menstrual products in school restrooms. ([HB-74](#))

SEE REVERSE FOR MORE... ↪

TAX REFORM

Voted FOR a bill that would harm Wyoming communities by pegging property taxes to a home's "market value" rather than assessed value and dramatically reducing funding for schools, local government and critical public services. ([HB-73](#))

Voted FOR a bill that would harm Wyoming communities by artificially capping the rate at which property taxes rise, from 4% to 2%, and dramatically reducing funding for schools, local government and critical public services. ([HB-124](#))

Voted FOR a constitutional amendment that would harm Wyoming communities by permanently pegging property taxes to the value of a home when it was purchased, dramatically reducing funding for schools, local government and critical public services. ([HJ-04](#))

OTHER

Voted AGAINST a budget amendment that would fully fund the University of Wyoming, provide state employees cost-of-living raises, restore funding to the Dept. of Health, and fund other critical public services. ([HB-1-2001](#))

Voted AGAINST a budget amendment that would help workers by increasing pay for state employees. ([H-1-2115](#))

Voted AGAINST a bill that would hurt Wyoming workers by decreasing the amount of time unemployment benefits are available. ([HB-6](#))

Voted FOR a bill that would decrease the ability of low-income people to buy food with SNAP benefits. ([HB-7](#))

Voted FOR a bill that would indulge conspiracy theories by banning government-created "chem trails" that don't actually exist. ([HB-12](#))

Voted FOR a bill that would revert Wyoming elections back to the Stone Age by banning voting machines and requiring the hand-counting of ballots. ([HB-94](#))

Voted AGAINST a budget amendment that would improve people's ability to buy food by increasing funding for nutrition assistance. ([HB1-2033](#))

Better Wyoming is a non-partisan 501(c)(3) nonprofit. Through civic education, leadership development and collective action, we coach folks on how to speak up, get involved, and work together to improve our communities.
